INTRODUCTION

Youth Welfare and Sports Development Department focuses on four strategies for human resource development – broad basing and mass participation in sports, promoting excellence in sports, developing good qualities and healthy character in all sections of youth and reinforcing the spirit of volunteerism among the youth in order to build up individual character and generate a sense of commitment to the goals of development.

Sports, National Cadet Corps (NCC), National Service Scheme (NSS) and Nehru Yuva Kendra (NYK) activities endeavour to provide the basic skills and qualities needed for youth to blossom into responsible citizens by enhancing the sense of achievement, national pride and patriotism.

The great potential of the State in youth welfare and sports activities is being promoted by creating quality infrastructure and dedicated training. Attention will continue to be focused on tapping young talents from rural and urban areas by creating opportunities for development of talent and pursuit of excellence.

Sports Development Authority of Tamil Nadu, as the apex body for sports development in Tamil Nadu, is implementing all the policy decision on sports and youth welfare activities of the Government.
Tamil Nadu has the maximum number of volunteers in the Country under National Service Scheme with 3,70,018 Members and there are 98,790 Boys and Girls in National Cadet Corps.

This year the development of Sports has been given a big thrust at the instance of the Hon’ble Chief Minister.

The Financial outlay in respect of Youth Welfare and Sports Development Department for the year 2012-2013

Allocation to Youth welfare and Sports Development Department in 2012-13 in Demand No.49 is Rs.10,348.42 lakhs out of which Rs.6,762.24 lakhs is for Sports Development Authority of Tamil Nadu and Rs.3,510.54 lakhs for National Cadet Corps.
Sports Development Authority of Tamil Nadu (SDAT) was constituted vide G.O.Ms.641, Education (Y1) Department, dated 18.7.1992 by merging the erstwhile Directorate of Sports and Youth Services and Tamil Nadu State Sports Development Corporation. SDAT was established in the pattern similar to Sports Authority of India. The Hon’ble Chief Minister of Tamil Nadu is the President of this Authority. The main objectives of the Sports Development Authority of Tamil Nadu are as follows:-

1. To promote and develop sports activities and to formulate and implement plans for the promotion of sports and improvement of standards of sports and games in the State of Tamil Nadu.

2. To implement the formulated schemes for promotion of sports and games and for improvement of standards of sports and games in this State, as may be entrusted to it by the Government of Tamil Nadu, Govt. of India or other bodies.

3. To initiate, undertake, sponsor, stimulate and encourage research in development of sports and games and in the related medicines, bio-chemics, psychology and other allied sciences.

4. To plan, develop, construct, acquire, take over, manage, maintain and utilize sports infrastructure, sports facilities and ancillary buildings, playfields, stadium, land, etc. in the State of Tamil Nadu.

5. To identify talented sports persons, to train them and to render suitable financial assistance so as to enable them to participate successfully in National and International sports competitions.
6. To give various incentives and awards to eminent sports persons so as to motivate them to higher levels of achievement.
7. To inculcate sports and health consciousness amongst the masses for regular participation in games and sports and to make the State healthy and strong.

Tamil Nadu has been in the forefront in sports and games at the National and International levels, in certain individual and team events. This is largely due to the excellent infrastructure, coaching facilities, competitions and incentives provided to sports persons by the Government of Tamil Nadu.

**LONG TERM STRATEGY TO ACHIEVE EXCELLENCE IN SPORTS:**

Most of the countries who have succeeded in sports, have clearly followed a long-term strategy, adopting a pyramidal model with a broadbase gradually tapering to the top. The long-term strategy for Tamil Nadu is to adopt a clearly defined pyramidal hierarchy of sports activity that would have five different levels. The lowest skill level would be termed as Level-1 and the pyramid tapers to the peak to Level-5. To illustrate this further, a diagram relevant to the pyramidal strategy is drawn below:

![Pyramidal Strategy Diagram](image)

Sports in Tamil Nadu is being nurtured on the above strategic lines.

**Level-1**

**Mass participation and Broad Basing:**

Battery of Tests is being conducted in all the schools for all the students studying in std. VI, VII and VIII. The talented are spotted from these tests and are prepared for the next level of participation.
PYKKA Centres with sports infrastructures are created at village level and PYKKA competitions are organized at Block level for mass participation.

**Level - 2**

**District level:**
A stadium with 400 m athletic track has already been established in all the district headquarters except Tiruppur. Swimming pools have been established in 20 districts. The facilities will be established in the remaining districts also, in a phased manner, in future. District level competitions are being conducted by SDAT, District Sports Associations and School Education Department regularly.

**Level - 3**

**State level:**
World Class sports infrastructure facilities are being developed at State level. 400m synthetic athletic tracks have been established in Chennai, Coimbatore and Madurai. Synthetic hockey surfaces have been established in Chennai, Trichy and Tirunelveli. Synthetic tennis courts have also been established in Chennai, Krishnagiri, Tiruvannamalai, Kancheepuram, Madurai, Cuddalore, Tirunelveli and Salem.

State Hockey Tournaments are being conducted at the district level, regional level and at State level on league basis. Apart from this, State Games in eight disciplines including athletics and swimming are being conducted on knock-out basis. A scheme to conduct state level competitions in various disciplines will be implemented from this year for Chief Minister’s Trophy in Athletics and Team Games.

Apart from this, financial assistance is being extended to the State Sports Associations to conduct Annual State Championships and National Championships.

Residential Sports Hostels are being run, to nurture the identified talented.

**Level 4 & Level 5**

**National / International:**
All efforts taken at the ground level will have to bear fruits at the national and international levels.
Several Tamil Nadu players have registered victories at national and international level competitions. They have represented national teams in Athletics, Football, Hockey, Volleyball, Basketball, Tennis, Squash, Kabaddi, Swimming, Fencing, Table Tennis, etc. World class sports facilities have been established in Chennai, Coimbatore, Madurai, Trichy and Tirunelveli. Sports Hostel of Excellence for Men is functioning to further nurture the talents of the achievers. Sports Hostel of Excellence for Women will be established this year.

Financial assistance is being provided to conduct national and international tournaments in Tamil Nadu and also for Tamil Nadu sportspersons to participate in such competitions elsewhere of Tamil Nadu.

Tamil Nadu Government awards high cash incentives to national and international achievers of Tamil Nadu.

CHAPTER – II

TALENT IDENTIFICATION

The following three main schemes are in vogue for identification of sports talent:

1. World Beaters Talent Spotting Scheme
2. Selection Trials for Sports School / Hostels
3. Selection Trials for Sports Hostel of Excellence

2.1 WORLD BEATERS TALENT SPOTTING SCHEME (4 Tiers)

2.1.1 CONDUCT OF BATTERY OF TESTS IN SCHOOLS AND ISSUE OF SPORTS REPORT CARD:

The Government, in order to promote Sports in Tamil Nadu, felt the necessity to spot talent at an early age and have directed to conduct Battery of Tests for Students in 6th, 7th and 8th standards in all schools every year in the State under the “WORLD BEATER’S TALENT SPOTTING SCHEME”. Further, the Government have also directed to issue a Report Card containing the results of the Battery of Tests, which could help to assess the child’s
potential to play or develop further in a particular game.

2.1.2 TALENT IDENTIFICATION AT EDUCATIONAL DISTRICT, REGIONAL AND STATE LEVELS:

SDAT conducts competitions in 64 education districts throughout Tamil Nadu in Athletics and other games. About 2000 to 3000 boys and girls participate in these competitions at educational district level and more than a lakh of them participate throughout the State. The educational districts are grouped into nine regions and competitions for the first two place winners in each educational district are conducted at regional level. About 600 boys and girls participate in each regional level competition and over 5,400 at State level.

The talented top performers at regional level competitions are identified and are provided intensive training for 15 days in summer and the potential higher talents identified among them are inducted into the Specialized Academies and are being provided continuous coaching. 1200 boys and girls are being benefited in these specialized academies every year.

2.2 SPORTS SCHOOL / HOSTELS SELECTION TRIALS (Two Tier):

In sports school hostels, students studying in 7th, 8th, 9th and 11th standards are being admitted by conducting selection trials at district level and State level.

2.3 SELECTION TRIALS FOR SPORTS HOSTEL OF EXCELLENCE FOR MEN:

The selection trials for the Sports Hostel of Excellence are being conducted every year to select sportspersons who are in college and who possess the potential to win at national and international competitions. 200 to 300 men participate in these selection trials and 30 to 40 outstanding sportspersons will be selected and enrolled in the Sports Hostel of Excellence in Jawaharlal Nehru Stadium, Chennai, every year.
2.4 **SELECTION TRIALS FOR SPORTS HOSTEL OF EXCELLENCE FOR WOMEN:**

For the Sports Hostel of Excellence for Women, the selection trials will be conducted in Athletics, Football and Volleyball and 60 outstanding sports women will be selected and admitted in the Sports Hostel of Excellence to be established in the Multipurpose Indoor Stadium, Chennai.

2.5 **SELECTION TRIALS FOR CENTRE OF EXCELLENCE FOR SPORTS:**

The most talented and potential young talents will be selected by conducting talent identification tests by a panel of experts at District level and State level and 25 Boys and 25 Girls will be admitted in the Centre of Excellence to be established in Chennai.
